### **Tuesday**

Review

Math- Happy Numbers

Phonic-

Reading- Raz kids

### **Wednesday**

Review

Math- Happy Numbers

Phonic-

Reading- Raz kids

### **Thursday**

Fun Day: Show and tell – Show your favorite item (i.e. Pet, stuffed animal, book, etc.)

Dear parents,

On our first day together this year, I anxiously awaited your child's arrival and eagerly welcomed them into their new space. With each passing day, I had the privilege of getting to know them, their strengths, their struggles, and their dreams. This year we faced many weeks being taken away from us by the pandemic. I missed seeing that light and spark in their eyes when they mastered challenges. These final weeks of school have been difficult. Therefore, I appreciate your support and patience which ensured that your child continued to learn. Thank you for sharing your child with me. Even though we will not be able to say goodbye in person, there are a few things that I want my scholars to know. Please let them know that the world needs them! It is ok to make mistakes and working through life challenges will only make them stronger (such as being quarantined). I am forever grateful for the time we spent together and always remember I am here for them! The uncertain circumstances of 2020 did not stop us! Great job parents and scholars! This is not goodbye; but, see you next year!

Thank you again,  
Mrs. Covington

## Parents Corner

**Care-pack Drive-through**

Wednesday, May 27, 2020 ~ 4-6pm

**Year End Zoom ~ Graduation & Awards Ceremony**

Friday, May 29, 2020 ~ 1pm
